PARTICIPATION

THE DUNES 1953

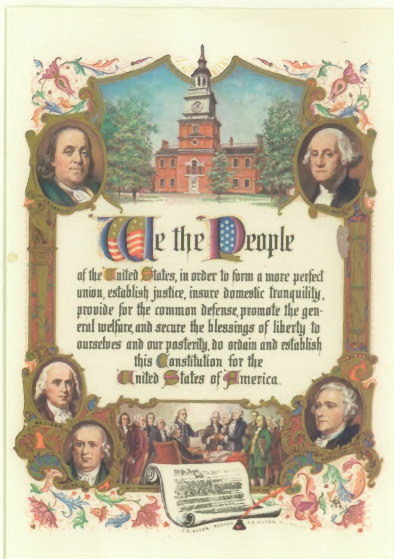

*The major purposes of
education in a free country are the
cultivation of wholesome personal living;
the development of social sensitivity
and effective participation in group
life; and the preparation for
vocational competence.*

The Dunes is published
annually for the student
body at Hammond High School
at Hammond, Indiana

*People raised in a free country—nourished mentally by
free schools and a free press, gainfully employed in free enterprise, and
strengthened morally by the religion of their choosing—
are better able to develop the country in which they
live. This was the wisdom and the foresight
of those who framed the Constitution
and a philosophy of life
that has blessed both the nation and the individual in happiness
and with progress. Let's be alert to any foreign ideology
which would undermine and deprive
us of our greatest possession—
the American Way.*

"THE AMERICAN WAY" - By Berton Braley

Nobody planned the American Way
It has no agenda or scheme,
It grew from the spirit that moves in the clay
The faith that makes fact of a dream;
Men built the American Way by their toil,
With sweat and with laughter and tears.
A way that was made on American soil
By red-hearted, bold pioneers.

They fought and they frolicked, grim, gallant and gay
They sang in a boisterous key,
The songs that reflect the American Way
Loud, proud, self-reliant, and free.
They hewed through the forest, they furrowed the sod,
And whether they frolicked or fought.
The American Way was the way that they trod
And the way that they felt and they thought.

Though some of them wallowed in waste and in plunder,
The American Way headed through
To heights of achievement that made the world wonder
What secret American knew.
No secret—but the only way of a nation
That makes the odds fair when you play,
And gives you a chance to work out your salvation.
Your own—THE AMERICAN WAY.

Mary Goff, winner of the DAR Pilgrimage Award.

The American Way

By Mary Goff— Brotherhood Week Feb, 1953
Down in Taylor, Texas, a Negro physician, Dr. James Lee Dickey, has been voted the community's outstanding citizen. Throughout his 32 years of practice, Dr. Dickey has promoted the welfare of his people and has proved himself worthy of this honor. It is easy to see from this, that Taylor, Texas, has broken down the barriers and carries a true American spirit. What makes America great? Her cities, her towns, the schools, the city hall? Is it Washington D.C., Indianapolis, or the state of California? Could it be the colleges, the libraries, the theatres, or music halls.

No-No, it's none of these—individually America is great because of Mr. Dickey, the Negro physician who was voted an outstanding citizen—because of your brother Jim who is right now fighting over there in Korea—because of your Mother who is teaching school because of a great lack of teachers—because of my Dad who works in essential industry. America is great because of the many colors, races, and religious beliefs, fused together to make a mighty nation—a nation of Americans.

Our country was developed by not one group, but by many different groups—Catholic, Protestant, Jew—Caucasian, Negro, and Asiatic—working together toward a common goal.

The Declaration of Independence states: "that all men are created equal, that they are endowed by their Creator with certain unalienable rights, and that among these are life, liberty, and the pursuit of happiness." Yet, 176 years after this writing, we are still trying to convince people—and whole nations—of these principles, though not having wholly achieved this ideal ourselves. We preach it, but are we truly practicing it?

Brotherhood emphasizes the idea of mutual understanding among people of different colors, races, and religious beliefs. It is the brotherhood of man, under the fatherhood of God.

Here at Hammond High I think we have this understanding—this acceptance of the other fellow's color, race, and religion. No partiality is shown in the classrooms, in social functions, in school clubs, or in our athletic program. We want to make each one feel that he "belongs", that he is needed, and that he counts for something. We want to learn to work cooperatively for the common good of all. This is true brotherhood.

However, we cannot remain smugly satisfied, within our own small world, until this understanding reaches out and envelops our homes, our community, our country, and the entire universe.

We sometimes forget that in other parts of the world—or even in our own country—brotherhood is not always lived. Intolerance, persecution, discrimination, and segregation are practiced.

We, as youth and future leaders, must take the lead now in breaking down the barriers to brotherhood.

This is what Washington and the men who founded our country dreamed of; this is what Lincoln began to achieve. THIS IS THE AMERICAN WAY.

Everything turned out all right at the termination of the bet.

Senior band requires its members to understand the fundamentals of music as well as to have a certain amount of technical proficiency upon their instruments. The purpose of the group is to improve this foundation and to develop the students into well-rounded amateur musicians with an understanding of all standard band literature and an appreciation of all good music. Special attention is given to those who intend to take up music as a profession. Throughout the entire year the band takes part in various civic activities. The group gives special attention during the first two months of the school year to staging half-time shows at the football games. Following these performances is the winter concert, next are the spring contests, which included entries of solos, ensembles, and the entire group. This is followed by the spring concert and later by outdoor parades. As an extra activity last summer the band took part in the parade on Indianapolis Day at the State Fair.

While the group is primarily made up of string players, the orchestra accepts a limited number of advanced woodwind, brass and percussion players. This group discusses and studies correlated arts and takes trips to actual performances of opera, ballet, and symphonies. Careful effort is made to develop an appreciation of all the arts which will remain with members after leaving school. Besides playing at the regular concerts, school plays, and spring contests, various groups from the orchestra play for civic club programs and banquets. The prime objective of the orchestra is to fit the student for a pleasant leisure time activity, a richer appreciation of good music and kindred arts; and as a foundation for those who wish to pursue music as a career.

The success of the senior band greatly depends upon the work accomplished in the junior band. While it is primarily a training group, every effort is made to stress the fundamentals leading to musicianship. The members play good music of all types. This group is open to any band instrument player after he has mastered the very earliest part of his training. Each is given rather intense drill in scales, and chord work, elementary harmony and directing.

The **EIGHT NOTES**, composed of Fred Dabney, Larry Kocal, Tom Alt, Bill Brite, Jim McNabney, Jack Lieske, Don Goins, and Jerry Vanes, were under the direction of Miss Waterbury. The Eight Notes sang at the Men's Group of the Hyde Park Methodist Church, the Ray Eggerstedt Travelogue, the Easter Auditorium, and the Spring Concert. They also received a rating of first at the State Contest.

The **CHANSONNETTES**, composed of eight girls, were chosen by Miss Waterbury to perform at both the Christmas and Spring Concerts. Though they had had appearances before various civic groups, the biggest thrill was singing at the Palmer House in Chicago for the Iowa State Teachers' College Alumni Banquet. At the State Vocal contest, the Chansonettes received first rating. Fay Antone and Margaret Saunders sang first soprano; Joyce Kroush and Janice Miller sang second soprano; Gail Cole and Marilyn Schroer sang first alto; Laverne Larrance and Peg Whitaker sang second alto. The Chansonettes enlightened many school programs with their perfect harmony.

The **CHORDAIRES**, a newly organized vocal group for the singing of barber shop harmony, sang at the Junior Women's Club, a fashion show at the Dyer Auditorium, Tri Kappa Meeting, the Association banquet, the Easter Auditorium, and the Spring Concert. The girls who composed the Chordaires were Ray Antone, Joyce Kroush, Gail Cole and Laverne Larrance.

The **BOYS' CHORUS**, composed mainly of freshmen boys were under the direction of Miss Littell. The group performed at the Christmas Auditorium, the Spring Concert and the City Music Festival.

The **CHORAL CLUB**, was a group of students, composed of Juniors and Seniors. The officers were Nancy Mason, president; Basil Walker, secretary; and Arlene Ribicki, treasurer. Jill Luellen accompanied the Choral Club. The presented programs before the P.T.A. and American Legion and appeared in the Christmas, Easter and Spring concerts.

The **A cappella Choir** has had a variety of outside performances this year. At Christmas they caroled at Minas', the City Hall and the Calumet National Bank. Throughout the year they sang at the Rotary Club, the Kiwanis Club, the Presbyterian Church, and the Hyde Park Methodist Church. School activities included an Easter Auditorium and the Spring Concert.

The twirlers, or drum majorettes, primarily lend showmanship to the marching band. Preparing for this work calls for effort and concentration upon the part of the participants. Hours of drill work are necessary in developing teamwork, coordination, and precision before the majorettes are ready to take part in a finished performance. This year's group has attempted to work out their routines with more perfect synchronization to the music and with more exacting precision than has ever been attempted in former years. Re-

hearsals must be started during summer vacation so that a group is ready for the fall marching season. This group consists of girls that have already learned the fundamentals of twirling. As only a limited number can be used in the marching band, the others are used for any special drills or shows that are put on during the tryouts each semester. Few realize the work and effort that the Hammond High Majorettes put forth to take part in the year's activities.

FOOTBALL

Sports at Hammond High compiled by Dyke Egnatz

Coach Eddie Nelson's 1952 gridiron Wildcats gained momentum with each game to finish in a four-way tie with E. C. Washington, E. C. Roosevelt and Emerson of Gary for the Conference title. In the flip of the coin to see who would meet South Bend Riley's Eastern Division champs, the Senators from Washington got the nod.

The Wildcats squad, with a veteran backfield of Bill Takacs, Al Perdev, Frank Shaw, and either quarterback Ken Crowe or Tim Etter, was hindered at first by the inexperience of the linemen. This deficiency was evident in their opening loss to Lafayette. Coaches Nelson and Papais immediately remedied the situation in time for a victory over Thornton Fractional. Tim Etter's long leaping aerials to end Bob George was one of the Cats' chief method of attack.

The Wildcats improved steadily with each game to end the season victorious with a 40-13 romp over arch-rival Tech.

Summaries:

LAFAYETTE JEFFERSON 20, HAMMOND 7.

The veteran Bronco squad, boasting nine returning regulars, was the deciding factor in their victory against the rookie forward wall of the Wildcats.

HAMMOND 20, THORNTON FRACTIONAL 13.

Tremendous improvement in the Wildcats' line play defeated a tough Meteor squad.

E. C. ROOSEVELT 7, HAMMOND 6.

With Hammond leading 6-0 in the third period, Roosevelt's hard running backs poured it on to score and convert to edge the Cats in a non-conference encounter.

HAMMOND 7, CLARK 6.

Trailing 6-0 mid-way in the third stanza, fullback Gary Farn, filling in for the injured Bill Takacs, galloped 45 yards and then 10 to score. Don Lambert's perfect conversion broke the tie.

HAMMOND 19, HORACE MANN 13.

Halfback Al Perdev ran wild for three markers on long gains to rack up another victory for our title-bound Wildcats.

HAMMOND 28, WHITING 19.

Cold, windy weather wasn't enough to stop the Cats, as they out-ran, out-passed, and out-scored Whiting in their game on the Oiler field. During the game, shortly after scoring on a touchdown pass from quarterback Tim Etter, end Tom Rosowicz broke his arm and was lost for the balance of the season.

E. C. WASHINGTON 41, HAMMOND 13.

Holding Washington to a 13-15 halftime tie wasn't enough, as the fast, powerful Senators ran wild to mar the Wildcat's homecoming festivities.

HAMMOND 27, GARY FROEBEL 20.

The Blue Devils 13 point comeback try in the fourth quarter fell short of overcoming the Cats' 20 point advantage.

HAMMOND 40, HAMMOND TECH 13.

This circus contest was won by the Cats to end the season with an all-over 6-3 mark. Long aerial TD's, freak interceptions, consistent fumbling, botch ball plays, and other mishaps led to victory and a conference tie with Emerson, Washington, and Roosevelt.

BASKETBALL

The 1953 Kingmen maintained their ranking as a perennial tourney threat by copying their ninth sectional under Coach Bob King, but were finally edged by a strong Wallace quint in a see-saw regional championship.

Posting a 10-10 pre-tourney mark, the Cats downed Hammond Morton in the first round of sectional play, following with victories over a highly-rated Noll Central squad and favorite East Chicago Washington. A thrilling last minute victory over E. C. Roosevelt in the sectional championship, and the regional victory over the Red Devils of Michigan City preceded their loss to Gary Wallace, 58-54.

In season play, the Cats dropped their first three games. State champions South Bend Central and runner-up Terre Haute Gerstmeyer along with Hammond Clark, were the victors.

After denting the victory column with a 46-45 decision over top-seeded Gary Tolleston, the cats held defending champions, Muncie Central to a 26-24 halftime margin before slipping far behind in the second half.

Coming back with a victory over Hebron's Green Giants, last year's Illinois champs, the Cats then took third in the Frankfort Invitational Tourney, downing South Bend Central, 43-40.

With a 39-all tie going into the final period, Decatur broke loose with a barrage of free throws to down Hammond, 60-49.

Skipping a few games, the Lew Wallace game comes to mind. Freshman ace, Frank Radovich, playing his first varsity game, held Horner star, Joe Zimmerman, to four points. After this game the Cats evolved a new style of play around Radovich, to enter the tourney with respect from all quarters.

Key games in the last few weeks of the season were victories over East Chicago Washington and Jefferson of Lafayette.

With Coach Lee Gellenbeck's "B" squad posting a 15-2 record, and Coach Leo Berelos' freshmen Kitty Kats sporting a 12-2 mark, the Wildcats will be well supplied with fine material for an overdue state championship squad.

BASEBALL

Inaugurating the season in fine style, Coach Lee Gellenbeck's 1953 Wildcat nine should continue as a perennial baseball favorite among Calumet Region competition.

Sporting a commendable 4-1 record to date, the Cats should strengthen as they gain experience.

Coach Gellenbeck's ten returning lettermen from last year's squad lists eight seniors: Frank Shaw, Alan Perdew, Bob Anderson, Joe Schafer, Jim McCullough, Ron Crowe, Ron Pruitt, and Mickey Payer. Juniors Bill Schwingendorff and Gus Hartoonian will be around for their third season in '54.

Summaries to date:

HAMMOND 10; LEW WALLACE 7.

Sparked by a seven-hit pitching of Bob Anderson, the Cats rallied to win on outfielder Joe Schafer's three-run, tie-breaking triple.

HAMMOND 12; TECH 3.

Hammond's 14-hit barrage, paced by Tom Rosowicz's homer, downed the hapless Tigers.

HAMMOND 11; FROEBEL 1.

Extra-base hits were featured in the Cats nine-hit attack, as Froebel garnered three hits to tally their lone score.

HAMMOND 3; CLARK 2.

Although matching hits with five apiece, the Cats outscored the Pioneers in run production, 3 to 2.

E. C. WASHINGTON 8; HAMMOND 7.

Hammond's tie-breaking, three-run effort in the ninth fell short, as the Senators rallied with a four spot in the last frame to edge the Cats for the first time this year.

TENNIS

Hammond High's 1952 tennis team ranked third in the Western Division, posting a 4-4 season mark behind top-ranking Tech and runner-up Clark.

Varsity lettermen on Coach Overman's squad were John Rapp, Jim Murphy, Allen Tucker, Sheldon Lynn, Sheldon Abrahamson, and Bill Snow, the lone senior on the squad.

The three Hammond teams, Tech, Clark and Hammond High, engaged in competition during spring conditioning to sharpen their wits in anticipation of the 1953 fall season.

With five of six returning lettermen, Coach Overman's netmen will be a definite threat to Western Division opponents next year.

CROSS COUNTRY

The 1952 edition of Coach John "Whitey" Wonsowicz's cross country squad turned in fine performances for the Purple and White.

In the regular season the Wildcats took first in four of seven meets, most of which were tri-angular competition. The team took third in a field of 17 schools in the Hobart Invitational, fourth in the NIHAA Conference meet of 21 schools, and ranked fourth in the state sectional to qualify for the finals at Indianapolis, where they ranked 15th in the field of 127 competing schools.

Varsity lettermen were Roland Brauer, John Hess, Wayne Freeman, LeRoy McNeil, Jack Elorance, Dick Kowal, Jim Berceols, and Nick Voris. Brauer paced the team with 7 firsts in 7 meets and was first in the state sectional. He also came in second in the Conference run and ranked 23rd in the state final.

TRACK

Coach John "Whitey" Wonsowicz's 1953 track team was again a top Calumet power. Winning all of their dual meets, they ranked second only to Gary Froebel by 2 2/3 points in the Hammond Quadrangular Meet.

The Cats avenged that defeat by scoring 55 points to win the Western Division Championship; runner-up Eroebel scored 43 2/3. However, the Blue Devils retaliated with a 31-30 victory in the Conference Meet.

Jim Sane, Don Snow, and Roland Brauer, top hurdler, dash-man, and miler, respectively, along with the 880 relay team of Wayne Freeman, Bob George, Sane and Snow, continued romping over area contenders as the Cats capped the state sectional, qualifying 12 individuals and the 880 relay, for the state track finals at Indianapolis.

Jim Sane's 20:10 in the low hurdles is top time in the state; along with the 880 relay, with a state best time of 1:31:18, and the other Wildcat qualifiers, Hammond should make a commendable, if not outstanding, showing at Indianapolis.

SWIMMING

Julé Papais' 1953 Catfish finished their campaign in fine style. With a squad boasting only five seniors, they acquired a record of five wins, three losses, two ties, and placed second in both the Conference and State meets.

Major award winners were Ray Abrahamson, Harry Beratis, Roger Boose, Bob Carr, Jack Elorance, Rex Lawrence, Bruce Lindholm, Jim Mayberry, Roger McLaughlin, Jim Murphy, Mickey Payer, John Pellar, Tom VanSenus, and Bill Yarch.

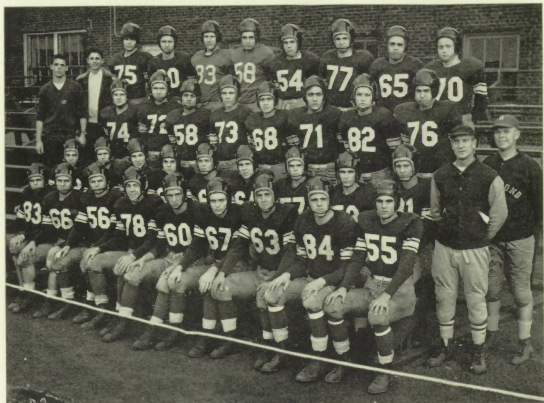

The 200 yard relay team of McLaughlin, Payer, Mayberry, and Carr set a new record in the State meet with a time of 1:46.1.

With a majority of freshmen and sophomores on the 33 man squad Hammond High should be able to maintain its supremacy in Hoosier pools for many seasons in the future.

The Hammond High **INTRAMURAL DEPARTMENT** provided a well-rounded program of activities for this year. Under the direction of Messrs. Leo Berelos and William McNabney, the department stimulated a keen interest in competition among the participants.

The department led off with a tennis tourney among the classes. Johnny Longfellow, senior; Carl Lilliequist, junior; Joe Bertrand, sophomore; and Dave Gehrke, freshman were individual winners.

In the play-offs it was Longfellow over Lilliequist, and Bertrand winning over Gehrke. Longfellow won the title match, 6-2, 6-4.

Fourth hour champ in the horseshoe singles tourney was senior, Bob George; Eugene Bukowski, sophomore, won the fifth period eliminations. Bukowski downed George, 8-15, 15-12, 15-5, in the championship match.

The cross country turkey run was held between halves of the HHS-Froebel football game, October 31. Freshman Donnell McLain paced the field of 35 contestants with a 4:29:26 time to win the first prize.

Bob Ganchiff's undefeated Titans captured the junior-senior basketball crown. The Kitty Kats took the frosh-soph title.

League members chose all-star squads to challenge the respective league champions in an intramural benefit at the Civic Center.

The **CALUMET HERALD**, carrying on the tradition set by last year's staff of 1952-53 continued the program of putting out a bigger and better four color paper for special occasions.

The Christmas issue was outstanding because it featured the Nativity scene on the front cover in keeping with the theme "Put Christ Back Into Christmas." There was a full page color picture of a Christmas tree with ornaments purchased by the advertisers.

An intensive campaign was fostered throughout the semester to improve the editorial content and the technical set up of the Herald.

Special issues throughout the year, besides the Holiday issue, included Homecoming, Valentine Day, Easter, and Graduation.

The first semester staff was headed by Marilyn Schroer with Nancy Harbin as managing editor.

Nancy Harbin, according to the Herald's new policy, was unanimously selected to head the paper the second semester. Bette Abrahamson was again named business manager.

Several trips were taken throughout the year by members of the staff in order to learn more about newspapers of other schools. The Indiana High School Press Association Convention at Franklin College in Franklin, Indiana was attended, as was the National Scholastic Press Convention at the Conrad Hilton Hotel in Chicago. Mr. Bolt, the Herald's advisor, served as the Indiana Press Association's vice-president for the year and was elected president for next year.

Mr. Bolt is the editorial and advertising advisor and Mr. R. H. Dunham is the financial advisor. The Herald was printed at Hyde Park Printing Service by Ralph Beer, former Herald staff member and Hammond High graduate.

Hammond High School Pupils' Pledge

*We will never bring disgrace to this our
Hammond High School by any act of dishonesty or
cowardice, nor ever desert our comrades; we will fight for
the ideals and sacred things of the Hammond
High School, both alone and
and with many; we
will revere and obey the Hammond High
School laws and do our best to incite a like respect and
reverence in others; we will strive unceasingly to quicken
the pupils' sense of Hammond High School civic
duty; that thus in all these ways, we may
transmit Hammond High
School greater, better, and more beautiful
than it was transmitted to us.*

*The Dunes gives special
recognition to the following: Gail Cole,
Raymond Ball, and Miss Schubkegel for the
cover design; Gail Cole and
Miss Schubkegel for the
division pages.*

Chicago 22, Ill.

You're saying goodbye to your high school days—but you're saying hello to new, exciting days ahead. Congratulations and welcome to the future!

In this future, Inland Steel's opportunities are yours . . . opportunities open to high school grads.

If you have some mechanical training or aptitude, there are careers open in many fields: as machinists, welders, electricians, patternmakers, pipefitters, boilermakers. There are careers to follow in metallurgy and chemistry. And there are opportunities in the office and clerical fields. The job of production—making the steel needed to keep America strong—offers a challenge to alert, young men.

You can have a "get-ahead" future through Inland's training opportunities. You can get apprentice or on-the-job training to become more skilled in your trade. You also can get college training

and a college certificate through the Purdue-Inland Training Program, a program where Inland sponsors you through this course at Purdue Extension.

Inland has been in the busy Calumet Region for more than a half-century. We'll be here in the future, too, because we're a basic industry, making a product used by everyone, including the housewife opening a can of peas and the G.I. firing an artillery shell.

Inland Steel Company serves the nation—and it can serve you, too, in the exciting days ahead.
